

# Faceted WATERBOMB

traditional

This is a jewel-like version of an ancient traditional model called "waterbomb" because it will hold water. Made of gift-wrapping foil, it is a lovely tree ornament.

1. Paper square.  
Fold in half like a book.  
Unfold. Repeat in the  
other direction Turn over.

2. Fold in half diagonally. 3. Fold in half diagonally. Unfold.

4. Hold by bottom corners and push together until the center lines of all four sides meet.

5. Press flat with two flaps on each side.  
Turn end-for-end.

6. Fold upper layer of flaps only.

8. Fold corners to center.

9. The next drawing shows only the circled area.

10. Fold free top corner downward so the outer edge fits along edge of pocket.

11. Tuck top corner into pocket.

12. Repeat steps 10-11 on the other side.

13. Turn over and repeat steps 10-12 on the other back.

14. Arrange flaps so they stick out in 4 directions.

15. Hold gently, with locks on top and bottom, not at sides. Blow with a strong puff into the hole end.

16. Push in the center line of each of the square areas that radiate from the ends, 4 at the top, 4 at the bottom.

17. Finished.
